First, all of our cabins are private, spacious and exquisitely appointed. We've taken the beauty of mountain living and added all the comforts and furnishings of upscale accommodations.

Relax and rock the afternoon away on one of our country porch rockers as you take in the stunning beauty of the surrounding Great Smoky Mountains. Play a round or two of billiards on your own personal pool table. Kick back in front of the television with cable, plus DVD or VCR. Fire up the gas grill and have a barbecue. And don't worry about the dishes – each fully equipped kitchen comes with a dishwasher.

*(See p. 5 for full list of our numerous luxury amenities.)*

If you're ready to get out and move, you can go out and enjoy the wildflowers, trees and birds on one of the amazing hikes through the natural beauty that surrounds Eden Crest. Or take the family whitewater rafting on the Pigeon River, or horseback riding on one of the many lovely trails nearby. Spend the day trout fishing in pristine waters. Take a drive through the Great Smoky Mountains National Park – and keep your eyes open for wildlife, including the famous black bears of Tennessee.

And if you're looking for even more excitement, you're just minutes away from the bustle of charming Gatlinburg and Pigeon Forge. Shopping, arts and crafts, dining, golf, music, historic tours, Ripley's Aquarium, Dollywood Amusement Park, Smokies Baseball Stadium and so much more – not to mention the area's numerous seasonal festivals and fairs. Eden Crest is perfectly located for you to enjoy a busy day of fun, then come "home" to a relaxing environment.
